ABOUT THE COLLEGE

Mwala Technical and Vocational College is a distinguished public Technical and Vocational Education Training (TVET) institution located approximately 250 meters off Makutano/Kithimani road, in Mwala Subcounty.

Situated about 102.9 km from Nairobi and 36.9 km east of Machakos Town, the college has built a reputation for excellence in vocational and technical training, nurturing individual growth, entrepreneurship, innovation, and enterprise development.

Our vision is "A Centre of Excellence in Technical Training and Development of Employable Workforce. The college is organized into seven departments, each dedicated to specific fields of study and skill development. Our programs are suitable for learners at various levels, from Artisan to Diploma.

Application Process

Prospective trainees can apply through KUCCPS for government sponsorship and HELB Loans for the January, May, and September intakes. Self-sponsored trainees should send applications directly to:

The Office of the Principal
Mwala Technical and Vocational College
P.O. Box 07 – 90102, Mwala-Machakos
